Entermission 2024/25

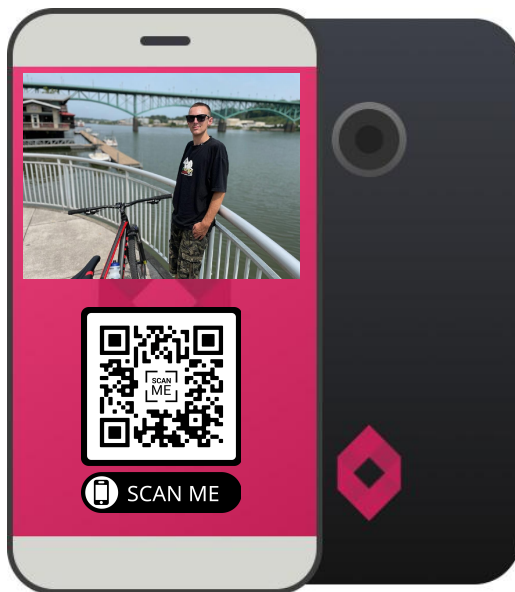

July 2025

Johnson University TN

My name is Alec Engelstad and I have the opportunity to join the Entermission at Johnson University this fall. It is a 10 month discipleship experience where we will go on missions throughout the nation to spread and learn the gospel. It is a ministry of ICOM (International

Conference On Missions). During the first semester we will be based at Johnson University and then traveling to serve in different ministries across the country. This experience will strengthen my leadership, my ability to build connections, and give me a wider perspective. Since I graduated high school, I've lacked direction somewhat and I believe that EnterMission will help me to experience more and figure out more of my strengths and figure out more things that I can make improvements on. Over the past year, I have become much more dedicated to advancing spiritually and learning more every day. Entermission will help me to stay on that path and continue to get smarter and wiser by the day. I'm

excited to travel and meet more people and see more places that I can learn from.

What is Entermission

“It is a commitment for young adults to dedicate 5 to 10 months of their lives to learn how to be the hands and feet of Jesus in both local and overseas settings. It’s about learning resilience and dependence on God. It’s about receiving the most up to date training in discipleship that requires time, energy, and a willingness to be molded as they live and work in community. It’s a hands-on approach to ministry formation; a trade school of sorts that not only benefits our students but the churches they will return to upon completion.”

Chris Irwin EnterMission Director

Financial Commitment

Like any missionary who decides to step out in faith and leave family, **EnterMission candidates must raise their own support.** As I learn, travel throughout the US working with different non-profits and even go overseas for 3.5 months to serve, **I can’t do it without both prayer and financial support.** It’s important to note that EnterMission isn’t taking a year off—but it’s a year of hands-on training and serving that will be in investment in the Kingdom and my own life in the future.

I need to raise \$1200.00 for every month that I will be in the program. All donations are receiptable and tax deductible through ICOM and you can either make a one time donation or a recurring donation.

How to donate: Go to www.Entermission.org and click on “Donate” tab

Fill out the donation information, and indicate if its recurring donation or not

“How, then, can they call on the one they have not believed in? ... And how can anyone preach unless they are sent? As it is written: ‘How beautiful are the feet of those who bring good news!’
